

As a Registered Professional Archaeologist, **Miles Bland** has 20 years of environmental experience permitting over 745 real estate development and projects throughout the Southeastern United States. These projects have been successfully completed for a wide host of clients such as the US Navy, the US Army Corps of Engineers, the Department of Transportation, as well as numerous private and public companies. He holds an MA from the University of South Carolina, an MBA from Jacksonville University, a JD from the Charleston School of Law (December 2012), and currently works for Smith, Bundy, Bybee, and Barnett, P.C., in Mt. Pleasant.

Kyle Ward earned a dual B.S. degree in Management and Marketing from the University of South Carolina in 2008. I will graduate from the Charleston School of law December 2012. While in law school I worked for a sole practitioner in Mt. Pleasant and did an internship with the 1st Circuit Solicitor's Office where I have continued to work for the past year. After taking the bar exam, I hope to continue my work in the criminal field and one day open my own law firm.
